Respondents

The Petitioner (Grantor/Settlor) Michael Allen Wells, (Grantor/Settlor Terry Eugene Soileau) have repeatedly over a time period spanning from 2010 to the present have contacted the Respondents (Trustees) via registered, certified mail with instructions/orders for the Respondents (Trustees) to fulfill their fiduciary duties under the Trust. The Respondents (Trustees) have BY THEIR OATH TO SERVE THE BENEFICIARIES (PEOPLE) and have failed in their fiduciary duties towards the Beneficiaries by not performing in their capacity as Trustees thereby have grossly

breached the Trust. The Trustees have denied the Beneficiaries their beneficial rights, their un-a-liable Rights that among these are Life, Liberty and the pursuit of Happiness under the Trust, The Declaration of Independence of 1776 who the trustees by their own acts have agreed by entering their respected offices of Trustee to protect the Beneficiary's beneficial rights.

The court is to take judicial notice of obvious facts:

The Primary Trustee ***"Most Holy Francis issued an Apostolic Letter on July 11 and effective September 1, 2013 that effectively stripped away the immunity of all judges, attorneys, government officials and all entities established under the Roman Curia [hint: All corporations are established under the Roman Curia]. All of these "persons" can now be held accountable for war crimes, crimes against humanity, [hint: Divine Spirit is humanity], for the unlawful restrictions of the liberties of the divine spirit incarnate; for failure to settle the accounts; [editor's note: keeping the Beneficiaries in Bondage to the Trustee's Agents.] for continued prosecution of claims already settled, [editor's note: by the Messiah.] etc"***

(63C Am.Jur.2d, Public Officers and Employees, §247

"As expressed otherwise, the powers delegated to a public officer are held in trust for the people and are to be exercised in behalf of the government or of all citizens who may need the intervention of the officer. [1] Furthermore, the view has been expressed that all public officers, within whatever branch and whatever level of government, and whatever be their private vocations, are trustees of the people (**Grantors/Settlers/Beneficiaries**), and accordingly labor under every disability and prohibition imposed by law upon trustees relative to the making of personal financial gain from a discharge of their trusts. [2] That is, a public officer occupies a fiduciary relationship to the political entity on whose behalf he or she serves [3] and owes a fiduciary duty to the public [4] It has been said that the fiduciary responsibilities of a public officer cannot be less than those of a private individual. [5] Furthermore, it has been stated that any enterprise undertaken by the public official which tends to weaken public confidence and undermine the sense of security for individual rights is against public policy.

[6] The Doctrine Of Uberrimae Fidei Holds The Four Rules Of The Fiduciary Obligations: For All Fiduciary Trustees: Et Al:

- a) Must Not Profit From Their Positions:
- b) Must Provide Transparency Of All Activity's:
- c) May Not Compromise The Beneficiary's Interests:
- d) May Not Delegate Solute Authority Over Their Beneficiary's Interest Or Benefits." – U.S. Supreme Court in *Luther v. Borden* , 48 U.S. 1, 12Led 581:

"... The governments are but trustees acting under derived authority and have no power to delegate what is not delegated to them. But the people, as the original fountain might take

away what they have delegated and in trust to whom they please. ... The sovereignty in every state resides in the people "as defined above" of the state and they may alter and change their form of government at their own pleasure. They had the whole title, and as absolute proprietors, had the right of using or abusing,-- *jus utendi et abutendi*

Shushan v. United States, 117 F.2d 110 (CA5):

"No trustee has more sacred duties than a public official and any scheme to obtain an advantage by corrupting such and one must in the federal law be considered a scheme to defraud." 117 F.2d, at 115.

The Oklahoma Supreme Court in *Corr v. Smith*, 178 P.3d 859 (Okla. 2008)

A trustee is a fiduciary of the highest order in whom the hope and confidence of the settlor are placed with the expectation that the trustee will exercise the obligations of the office for the exclusive benefit of those holding beneficial interests. Without exception, a trustee owes its beneficiaries the most abundant good faith, absolute and perfect candor, openness and honesty.

McNally v. U.S., 483 U.S. 350, 371-372 (1987), Quoting *U.S. v. Holzer*, 816 F.2d 304, 307: "'Fraud in its elementary common law sense of deceit - and this is one of the meanings that fraud bears in the statute, see *United States v. Dial*, 757 F.2d 163, 168 (7th Cir. 1985) - includes the deliberate concealment of material information in a setting of fiduciary obligation. A public official is a fiduciary toward the public, including, in the case of a judge, the litigants who appear before him, and if he deliberately conceals material information from them he is guilty of fraud. When a judge is busily soliciting loans from counsel to one party, and not telling the opposing counsel (let alone the public), he is concealing material information in violation of his fiduciary obligations.'"),

Breach of Trust by Respondents, Trustees, and Trustee Agents; have committed the following acts against the Beneficiaries and thereby denying them their beneficial rights under the Trust, The Declaration of Independence of 1776.

Still, the Trustee's and Trustee Agents refused to fulfill their fiduciary duties under the Trust towards the Beneficiaries. The Primary Trustee, on September 24, 2015, addressed a Joint session of The United States Congress, The Senate, Supreme Court Justices, Joint Chiefs of Staff and all Governors of the United States; and, ..., whom are Trustees. (See entire speech at; https://www.youtube.com/watch?v=te0_bWQNFn4).

The Primary Trustee admonished the Trustee's and Trustee Agents for not serving the Beneficiaries. The Trustee's and Trustee Agents, by NOT fulfilling their fiduciary duties under the Declaration of Independence Trust, are no longer protected under the Public Corporate Charter and are personally liable for their in-actions. Therefore, the law form to judge these living men and women of flesh and blood with hands and feet will be the "Laws of Nature and Nature's God". This is sited in the 'The Declaration of Independence of 1776 Trust', which is in the record of evidence in Federal Court Case Number 1:15cv27-P in United States District Court, Northern District of Texas, Abilene division.

The Grantors/Settlors have and will continue being Ambassador's of the Messiah.
